CHURCH NEWSLETTER
5th April 2020

Welcome turningpoint to Palm Sunday, 2020. Today we remember how Jesus entered into Jerusalem for His last time. I am reminded how His disciples had no idea of what the future held, yet Jesus saw past the celebrity entry, to understand that soon this time was going to be the hardest on earth for Him, and yet the most victorious.

Only a few months ago we entered 2020 with high expectations and now we enter a time we haven't experienced anything like in our history. The spread of Covid-19 (the Coronavirus) is evolving in every nation. A.W. Tozer made this profound statement: **'A scared world needs a fearless church.'** *"When I am afraid, I will put my trust in you. In God, whose word I praise—in God I trust and am not afraid. What can mere mortals do to me?"* - Psalm 56:3-4. Coronavirus is gripping the hearts of so many people around the world with fear. Covid-19, is a real virus – but it will be treatable in the future. There are people right now in need that we can reach out to help. Like a fireman runs to the fire, the church needs to respond to crises around us. We, who are the church, need to stand up and be the hands and feet of the Lord Jesus Christ, sharing the *"reason for the hope that is in us"* 1 Peter 3:15. Now is the time to intensify our prayers and sacrifices for the love of God, and for the love of our neighbour. Let us draw closer to one another, and rediscover the things that truly matter in our lives.

Take time to call and check on one another. Maybe you could offer to drop off some food or necessities to someone who is shut in (our **turningpoint** food support is available by appointment on Fridays). Talking with someone on the phone, listening to what they are going through – and most importantly, praying with them – could change not only their day, but their entire outlook.

"Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God goes with you wherever you go". Joshua 1:9
